Assistant Superintendent

Gwen M. Boltz
Business Manager

December 14, 2009

Dear Parents and/or Guardians:

As you are aware, the county school district superintendents have been working in partnership with local health and emergency officials regarding the securing of H1N1 vaccine.

Lebanon County School Districts were recently informed that the H1N1 vaccine for school age children has arrived. Therefore, the H1N1 vaccine will be distributed to any interested school age children on **Thursday, December 17 and Friday, December 18, 2009, from 4:00 p.m. to 9:00 p.m., and Saturday, December 19, 2009, from 8:00 a.m. to 2:00 p.m.** Two sites in Lebanon County have been established for this distribution at the above listed times. The two sites are: Lebanon County Career and Technology Center in the eastern end of the county and Palmyra High School in the western end of the county.

The attached H1N1 Influenza Vaccination Consent Form should be completed prior to bringing your child to the vaccination site. If you are unable to answer some of the questions on the form, there will be people in the health field at the site who will be able to answer your questions. The Vaccine Information Statement mentioned on the consent form will be posted on school district websites. It is important to note that every child must be accompanied by a parent or guardian in order to receive the vaccination. Please make sure children are wearing appropriate clothing for easy access to the upper arm.

Sincerely,
Richard D. Nilsen, Ed.D.
Superintendent
