

# **ELCO Middle School Counseling Department**

## **Naviance Program:**

### **Description:**

ELCO School District is implementing a new on-line program called “Naviance” with students. Naviance allows students to take a variety of inventories to match interests to careers and facilitate post-secondary planning. Naviance also gives students the ability to explore careers and colleges, as well develop and maintain a career and academic portfolio. Once students enter high school, they will also be able to search for scholarships through Naviance and link directly to college application procedures, such as transcript/letters of recommendation requests.

### **Login Procedures:**

- Please go to the following website:

<http://connection.naviance.com/eastlebcms>

- Please use your current user name (Schoolology/PowerSchool Log In)

Example: jj2018555

- Please use your current Schoolology/PowerSchool Password
