

Reading Homework Tips for Parents

- 🍏 Have your child read aloud to you every night.
- 🍏 Choose a quiet place, free from distractions, for your child to do his nightly reading assignments.
- 🍏 As your child reads, point out spelling and sound patterns such as *cat*, *pat*, *hat*.
- 🍏 When your child reads aloud to you and makes a mistake, point out the words she has missed and help her to read the word correctly.
- 🍏 After your child has stopped to correct a word he has read, have him go back and reread the entire sentence from the beginning to make sure he understands what the sentence is saying.
- 🍏 Ask your child to tell you in her own words what happened in the story.
- 🍏 To check your child's understanding of what he is reading, occasionally pause and ask your child questions about the characters and events in the story.
- 🍏 Ask your child why she thinks a character acted in a certain way and ask your child to support her answer with information from the story.
- 🍏 Before getting to the end of the story, ask your child what he thinks will happen next and why.
