

EASTERN LEBANON COUNTY SCHOOL DISTRICT
STUDENT LEARNING MAP
UNIT #6

Course/Subject: ART
Topic: 3D

Days: 6-10
Grade Level: 2nd grade

Key Learning:

Three-dimensional artwork can be created in a variety of ways.

Unit Essential Question

How is three-dimensional artwork created?

Concept Clay can be used to created 3D artwork.	Concept Flat materials can be utilized to created 3D materials.	
Standards: 9.1.3.H, 9.1.3.A	Standards: 9.1.3.C, 9.3.3.A, 9.3.3.B	
↓	↓	
Lesson Essential Question: How can form change?	Lesson Essential Question: How can flat materials transform to create 3-dimensional forms?	
↓	↓	
Vocabulary Form Slab Clay Alter Flat 3D line shape texture	Vocabulary 2-dimensional flat 3-dimensional form

UNIT #4

Course/Subject: ART
Topic: ART CRITICISM &
AESTHETICS

Days: 5 and ongoing
Grade Level: 2ND grade

Key Learning:

People have different feelings, opinions, and preferences about the way art is made and looks.

Unit Essential Question

Why is it important to discuss our feelings, opinions, ideas, and preferences about the way art is made and looks?

Concept Art exposure	Concept Critiquing and Sharing	Concept Reflecting
Standards: 9.3.3.D, 9.3.3.E	Standards: 9.1.3.C	Standards: 9.4.3.B
↓	↓	↓
Lesson Essential Question How does looking at others' artwork help me create my own?	Lesson Essential Question How does talking to others' about my art help me make my work better?	Lesson Essential Question How does reflecting on my artwork and process help me become a better artist?
↓	↓	↓
Vocabulary Observe Brainstorm	Vocabulary Critique Enhance	Vocabulary Reflect Process

Additional Information/Resources:

Student artwork, teacher artwork Artist reproductions, PowerPoint presentations, books, instructional videos, etc.

STUDENT LEARNING MAP
UNIT #5

Course/Subject: ART
Topic: ART HISTORY

Days: 5
Grade Level: 2nd grade

Key Learning:

The work of master artists and art periods of the past and present can influence the work of others.

Unit Essential Question

How does the work of master artists and periods of the past and present influence others' artwork?

<p>Concept The Renaissance was a period in history when the creation of art was highly-valued and limited in subject.</p>	<p>Concept Modern artists vary in their methods of making art and subjects.</p>	
<p>Standards: 9.2 C, 9.1 A, 9.1B, 9.1K, 9.2 A</p>	<p>Standards: 9.2 C, 9.1 A, 9.1B, 9.1K, 9.2 A</p>	
<p>Lesson Essential Question: How is artwork created during the Renaissance unique?</p>	<p>Lesson Essential Question: How is modern art created? (Who are some modern artists?)</p>	
<p>Vocabulary Renaissance Michelangelo (possible artist) Drawing Composition Space Methods</p>	<p>Vocabulary Jim Dine (possible artist) Composition Space Methods</p>	

Additional Information/Resources:

Powerpoint about Michelangelo and/or Renaissance, Jim Dine

UNIT #3

Course/Subject: ART
Topic: CLAY

Days: 3
Grade Level: 2nd grade

Key Learning:

There are different ways of forming clay to create artwork.

Unit Essential Question

How are the elements of art are used when creating 3D work with clay?

Concept Clay slabs	Concept Texture	Concept Glazing
Standards: 9.1.3 B, 9.1.3 H	Standards: 9.1.3 A, 9.1.3 B, 9.1.3 H	Standards: 9.1.3 B, 9.1.3 H, 9.3.3 A
↓	↓	↓
Lesson Essential Question: How can the form change?	Lesson Essential Question: How is line used to create detail??	Lesson Essential Question How is it different than paint? How does glaze "work?"
↓	↓	↓
Vocabulary clay, slab, form, alter, flat, 3D, line, shape	Vocabulary Line, detail, texture	Vocabulary Glaze, form, color, paint

Additional Information/Resources:

Clay is fired in the kiln prior to glazing.

UNIT #4

Course/Subject: ART
Topic: ELEMENTS & PRINCIPLES OF ART

Days: 5 and ongoing
Grade Level: 2nd grade

Key Learning:
The elements and principles of art enhance a composition of artwork.

Unit Essential Question
How are the element and principles of art important when creating and enhancing a composition of artwork?

<p>Concept Elements of art are like ingredients in our artwork.</p>	<p>Concept Principles of art are the elements of art fit together and compose a piece of artwork.</p>	<p>Concept</p>
<p>Standards: 9.1c.2, 9.3.1, 9.3.2</p>	<p>Standards: 9.1.3.B</p>	
↓	↓	↓
<p>Lesson Essential Question: How are the elements of art important?</p>	<p>Lesson Essential Question: Why are the principles of art important for an artists to know and use?</p>	
↓	↓	↓
<p>Vocabulary Line, shape, color, space, texture, value, form</p>	<p>Vocabulary Pattern, contrast, movement, balance, unity, emphasis</p>	

Additional Information/Resources:
Upon completion of each artistic production, students mount their own work. Students also reflect upon their artwork, process, and learning.

UNIT #2

Course/Subject: ART
Topic: LINE & SHAPE

Days: 5 and ongoing
Grade Level: 2nd grade

Key Learning:

The elements of line and shape can be created to enhance a composition of artwork.

Unit Essential Question

How are the elements of line and shape created to enhance a composition of artwork?

<p>Concept Lines vary in style, direction, and width and can impact the type of shape that is created.</p>	<p>Concept Designs and patterns can be created with line and shape.</p>	<p>Concept Using line in 2D artwork to convey three-dimensionality</p>
<p>Standards: 9.1c.2, 9.3.1, 9.3.2</p>	<p>Standards: 9.1.3.B</p>	<p>Standards: 9.1.3.B, 9.1.3.C</p>
↓	↓	↓
<p>Lesson Essential Question: How are organic shapes different from geometric shapes?</p>	<p>Lesson Essential Question: How are designs and patterns created by using line and shape?</p>	<p>Lesson Essential Question How can line be used in 2D artwork to make objects look 3D?</p>
↓	↓	↓
<p>Vocabulary Straight, curved, wavy, zigzag, dashed, dotted, vertical, horizontal, diagonal, thin, thick</p>	<p>Vocabulary Design, pattern, repetition, line, shape,</p>	<p>Vocabulary 2D, 3D, straight, curved, angled, diagonal, realistic, depth</p>

Additional Information/Resources:

Upon completion of each artistic production, students mount their own work. Students also reflect upon their artwork, process, and learning.

UNIT #2

EASTERN LEBANON COUNTY SCHOOL DISTRICT
STUDENT LEARNING MAP
UNIT #1

Course/Subject: ART
Topic: SPACE

Days: 15
Grade Level: 2nd grade

Key Learning:

Space is an element of art and can be used to help organize compositions.

Unit Essential Question

How does using the element of space help to organize compositions?

<p>Concept Artists can organize their composition into 3 sections.</p>	<p>Concept Space can convey depth.</p>	<p>Concept The size and proportion of objects can affect how space is organized.</p>
<p>Standards: 9.1 I, 9.1 J, 9.3 B</p>	<p>Standards: 9.1 I, 9.1 J, 9.3 B</p>	<p>Standards: 9.1 I, 9.1 J, 9.3 B</p>
<p>Lesson Essential Question: How does an artist compose a drawing using space effectively?</p>	<p>Lesson Essential Question: How is space impacted when overlapping objects are created in a composition?</p>	<p>Lesson Essential Question: How do size and proportion of objects impact space in a composition?</p>
<p>Vocabulary Foreground Middleground Background Horizon line Space</p>	<p>Vocabulary Overlapping Space Size/proportion</p>	<p>Vocabulary Emphasis Space Size Proportion</p>

Additional Information/Resources:

Powerpoint about SPACE
Foreground, Middleground, Background audio clip
